

# JURUPA ROAD

## GRADE SEPARATION

## Construction Alert: Week of April 11, 2022

- Lane closures planned on north and southbound Van Buren Blvd., Mon. - Thurs.
- Work continues on Felspar Street near Jurupa Road.
- Paving planned on Jurupa Road and Hill Place.

### TRAFFIC CONTROL

**Monday, April 11 - Friday, April 15**  
8:30 a.m. to 4 p.m.

North and southbound Van Buren Blvd. lane closures planned for paving.

Work on Felspar Street near Jurupa Road.

**Monday, April 11 - Thurs., April 14**  
Grading and paving work with traffic control and parking restrictions on Jurupa Road, east of Cedar Street, and on Hill Place. No parking on the shoulder during paving operations.

### PROJECT UPDATE: Crews are working throughout the project area.

- Jurupa Road from Cedar Street to Van Buren will be paved next week, along with Hill Place.
- The 52nd Street connector road will be paved next week, traffic signals will be placed within the next 3 weeks (pending equipment delivery), and the road should be opened by mid-May.
- Excavation work continues on Jurupa Road west of Van Buren Blvd. to lower the roadway that will ultimately go under the new Van Buren Blvd. and UPRR bridges.
- Carpenters and iron workers are working on the new Van Buren Blvd. bridge abutment (support system) and expect to complete the first concrete placement next week.
- Crews are working on the new pump station at the northeast corner of Van Buren Blvd. and Jurupa Road.
- Sewer work is scheduled to begin on Felspar Street near Jurupa Road. Business access will be open with traffic control on Felspar Street.
