

JURUPA ROAD

GRADE SEPARATION

CONSTRUCTION UPDATE: Week of October 2, 2023

Nighttime work is planned in the Bly Channel and behind the business plaza on Jurupa Road at Felspar Street.

Reinforced concrete box installations begin on Monday, Oct. 2. Work will take place in the Bly Channel and behind the Stater Bros. plaza at Jurupa Road and Felspar Street.

Nighttime Work Hours

Monday night through Saturday morning
7 p.m. – 5 a.m. | The week of Oct. 2 through November 2023

Work Locations

- Bly Channel
- Felspar Street north of Jurupa Road

What to Expect

- BUSINESS ACCESS OPEN
- Traffic control on Felspar Street
- Construction activities in the Bly Channel and behind the Stater Bros. plaza

Project Update

Crews completed two waterline relocations and will install a large, 6-foot by 4-foot reinforced concrete box (RCB). This two-month project behind the shopping plazas on both sides of Felspar Street will tie together the Jurupa Road Undercross System, the Storm Water Pump Station and the Bly Channel to prevent flooding during storm events.

Project Milestone: Crews placing concrete on the Van Buren Boulevard Bridge deck.

This information may change due to weather or field conditions.
