

# JURUPA ROAD

## GRADE SEPARATION

### CONSTRUCTION ALERT: November 6, 2023

Daytime construction activities with traffic control planned on Felspar Street near Jurupa Road and at the intersection of Jurupa and Pedley roads.

Business access remains open; please travel with caution in the area.

#### TRAFFIC CONTROL

Felspar Street near Jurupa Road

Monday-Friday | Nov. 6-10 | 7 a.m. to 6 p.m.

Lane closures are planned with traffic flaggers to assist vehicles through the construction area during storm drainage construction. **Business access remains open.**

Jurupa Road at the intersection of Pedley Road

Monday-Friday | Nov. 6-10 | 7 a.m. to 6 p.m.

Crews will be potholing in the area with lane closures and traffic control in place.

#### PROJECT UPDATE

Van Buren Boulevard Bridge

Crews are completing electrical and concrete barrier work on the bridge.

Storm Water Pump Station

Crews will continue interior work and begin roof construction this week.

Storm Drainage Construction

Crews finished storm drain installation behind the Stater Bros. shopping plaza. Daytime work to construct the underground storm drain across Felspar Street will begin this week; please watch for traffic control in the area.

Crews finishing storm drainage installation behind the Stater Bros. last week.
