

JURUPA ROAD

GRADE SEPARATION

CONSTRUCTION ALERT: Week of February 19, 2024

Construction planned on Felspar Street storm water catch basins, weather permitting.

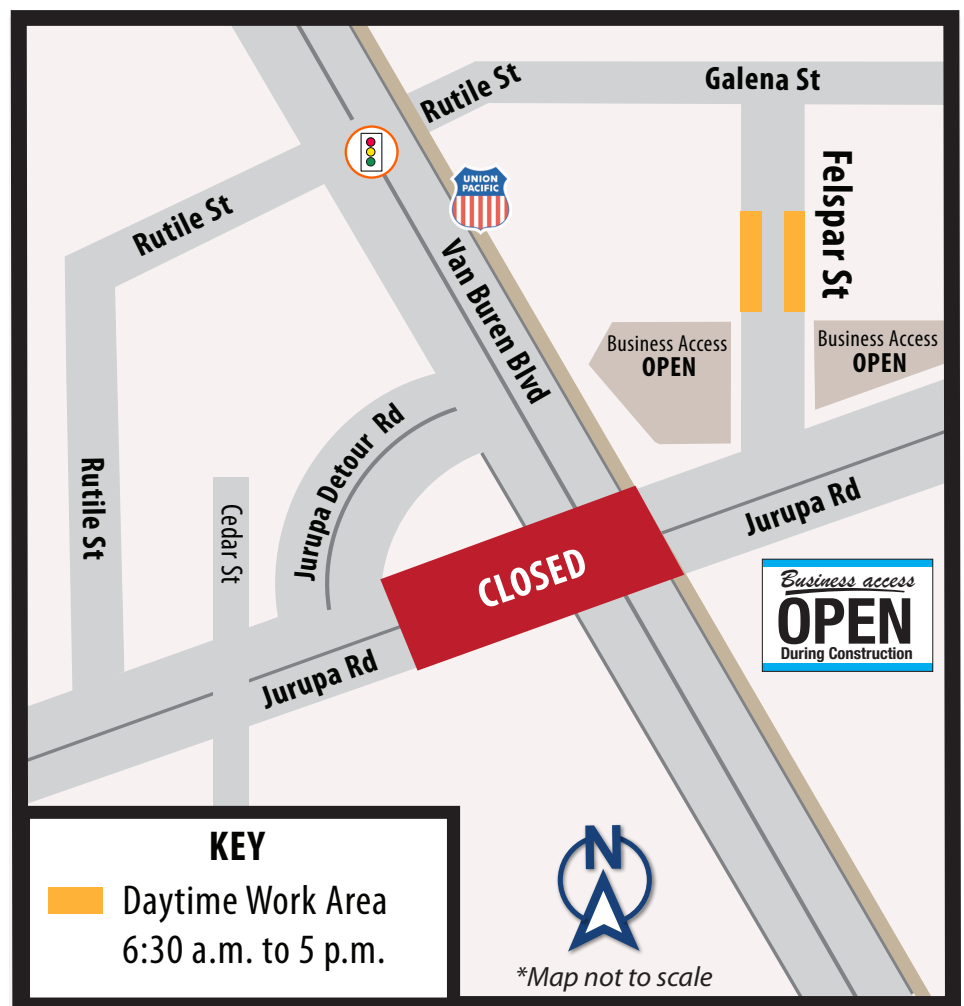

TRAFFIC IMPACTS

Reduce speed and watch for construction on Felspar Street at Jurupa Road. Pedestrian access will be detoured during construction.

Begins Thursday, Feb. 22 for 3 weeks, weather permitting 6:30 a.m. to 5 p.m.

Business access will remain open.

Crews will be installing seven storm water catch basins along Felspar Street during a three-week operation, weather permitting. Construction will begin on the eastern side of the roadway just north of the Stater Bros. shopping plaza and continue north about halfway up Felspar Street. Crews will move across the street and continue south on Felspar Street.

The timelines for all road closures and openings may change due to weather or field conditions.
