

JURUPA ROAD

GRADE SEPARATION

CONSTRUCTION UPDATE: Week of December 12, 2022

Lane closure with flagging on northbound Jurupa Detour Road on Thursday, Dec. 15, 7 a.m. to 4 p.m.

PROGRESS UPDATE

- **JURUPA DETOUR ROAD**

On Thursday, Dec. 15, from 7 a.m. to 4 p.m., crews will perform drainage work on Jurupa Detour Road. Crews will direct traffic from the northbound lane to the southbound lane. Please drive with caution through the area.

- **BRIDGE SUPPORT SYSTEM**

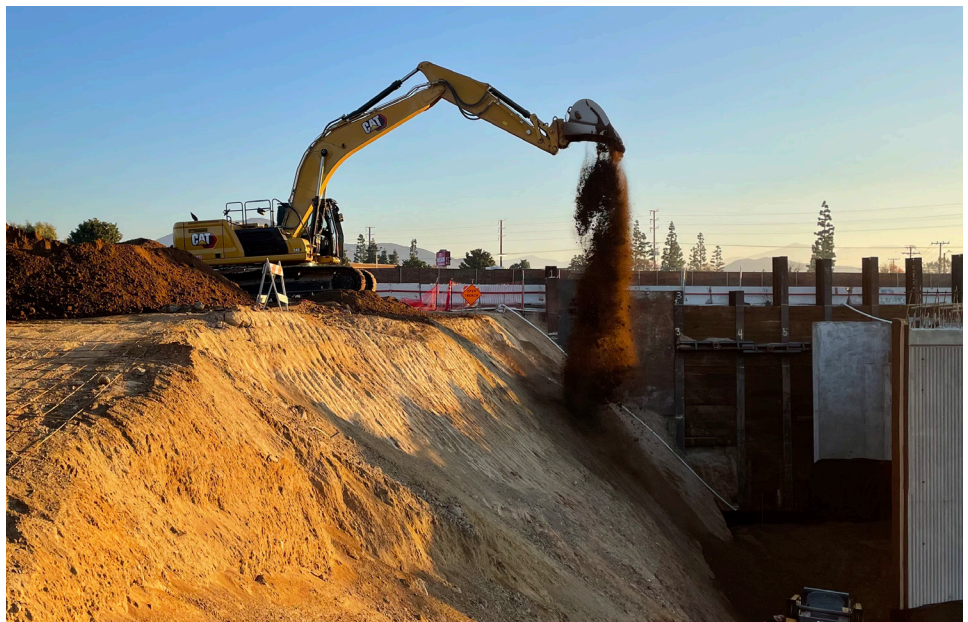

Crews continue to construct the Jurupa Road underpass retaining wall support system and the Van Buren Boulevard bridge support system.

- **STORM WATER PUMP STATION SYSTEM**

Carpenters and electricians continue work on interior improvements for the wet well and valve vault structures. Crews are preparing to construct an electrical building and a perimeter fence.

- **INTERSECTION IMPROVEMENTS**

Work will begin soon after the new year at the intersections of Pedley and Jurupa roads, and Rutile Street and Van Buren Boulevard, in preparation for railroad safety improvements.

Looking east, crews are backfilling the north end of the Van Buren Boulevard bridge support system.
