

JURUPA ROAD GRADE SEPARATION

CONSTRUCTION UPDATE: Dec. 19, 2022 through Jan. 2, 2023

Single lane closure planned on Van Buren Boulevard on Dec. 22., weather permitting. Crews will continue construction during the holiday season with no additional traffic control planned.

**Happy Holidays from the
Jurupa Road Grade Separation
construction team**

TRAFFIC CONTROL

Thursday, Dec. 22
8:30 a.m. to 1 p.m.
Van Buren Boulevard from
Rutile Street to 52nd Street

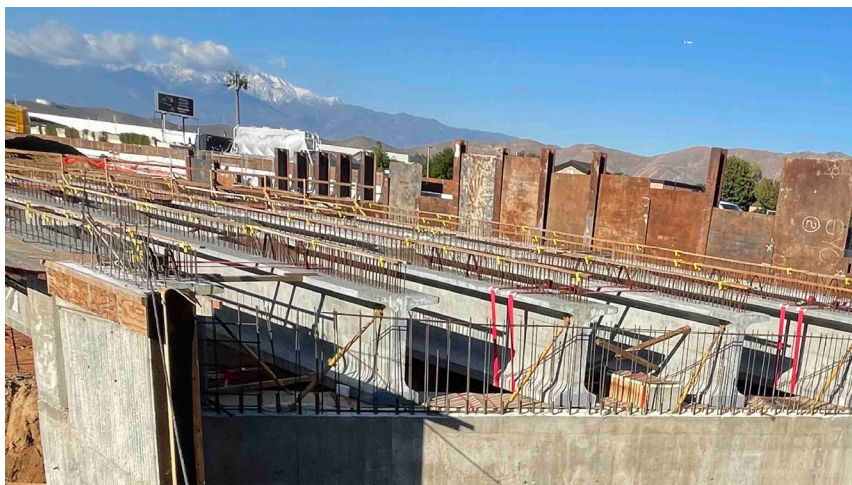

A single lane closure is planned on southbound Van Buren Boulevard then on northbound Van Buren Boulevard in the project area. Crews will be replacing damaged lane delineators.

Please reduce speed and drive with caution through the construction area.

PROGRESS UPDATE

During the next two weeks, crews plan to work on the following, weather permitting:

- Continue work on the storm water pump station and begin construction on the electrical building
- Work on the Van Buren Boulevard bridge and retaining walls
- Continue work on Jurupa Road and the retaining walls

A north facing view of the Van Buren Boulevard bridge retaining wall and support system. Once these are finished, the next step is to construct the bridge deck.

Snowy mountains are in the background of the ongoing earthmoving operation to backfill the north end of the Van Buren Boulevard bridge support system.
